Sir,

SECT. SECTT. TO GOVERNMENT
8 OCT 1955
HEALTH EDUCATION AND LOCAL ADMINISTRATION DEPT.

Sub: Contracts - South Kanara District Board Constructing a Hall (building) for the Board High School at Coondapur - Agency proposals submitted for approval.

--

Tenders were called for by the Divisional Engineer (Highways) Mangalore for the above work for which an estimate amounting to Rs.40,000 was sanctioned by Superintending Engineer (Highways) fixing the last date of receipt of tenders as 22-12-54. Only two tenders were reported to have been received as per details below:

1. Sri B.Ragurama Hegde 5.37% above estimate rate.
2. Sri Leo D'Souza 28.03% -do-

2. Considering the tenders received as high, the Divisional Engineer (Highways) rejected them and obtained an offer from the lowest tenderer Sri B.Ragurama Hegde on 12-1-55 and entrusted the work to him in anticipation of acceptance of the offer by competent authority in view of the urgency. As the offer dated 12-1-55 was incomplete and found lacking in details, specification and quantities the Superintending Engineer (Highways) instructed the Divisional Engineer (Highways) to obtain a revised offer giving full description and correct quantities as per sanctioned estimate. Accordingly the Divisional Engineer (Highways) obtained a revised offer from Sri B.Ragurama Hedge ~~x~~ on 10-8-55 and the revised offer works out to 8.39% below estimate rates.

3. The two tenders received for the work on 22-12-54 and the offers dated 12-1-55 and 10-8-55 obtained from Sri B.Ragurama Hedge are enclosed herewith for perusal.

4. This work being a district board work, according to rule 19(i) of the rules regulating the invitation and acceptance of tenders for contracts in respect of local board works the Divisional Engineer (Highways) and Superintending Engineer (Highways) can dispense with further call of tenders when ~~neither~~ no tenders are received in the first instance or only high premium tenders which are not considered as reasonable and are rejected if the contract amount of the work does not exceed Rs.5,000/- and Rs.25,000/- respectively. In the present case as the contract amount exceeds Rs.25,000/- sanction of Government is necessary.

5. I recommend that dispensing with further call of tenders may please be approved by Government in this case in view of the circumstances explained above and the action of the Divisional Engineer (Highways) in having entrusted the work in anticipation of dispensation of tenders by competent authorities may also be ratified by Government.
